## Yearbook Photos

The last day to submit photos taken throughout the year at school events will be **March 16th**. The final deadline for the yearbook is quickly approaching. You do not need to know all of the information about the names of each child, just fill in what you know or put the event name in the boxes. Please help make this a great yearbook for our kids! ## President's Notes

Happy March Everyone!

As you can see by the list of important dates, the month of March is very busy for the PTA.

Our Spring Photos and 5th grade Panoramic photo will be taken Tuesday March 8th. Flyers with background choices are being sent home this week.

Our Spring Book Fair and Donuts for Dad events kicks off on March 11th and the Book Fair runs the week of March 14th through the 18th. We hope to see many Dads come out for a treat with their kids from 7:00 a.m. to 8:00 a.m. Don't forget to send in the RSVP slips so we know approximately how many donuts will be needed.

Our science fair will be the same week as the book fair so make sure you stop on by and check out the incredible selection of books available for purchase that evening. The Science Fair is March 17th. Pizza Factory will be available that evening as well for purchase.

The Mother-Son laser tag event is being held on the 19th of March. Flyers to reserve your spot have already come home. Contact Annette Heinrich if you have any questions about this fun event.

CUSD has voted in all day Kindergarten, and Kinder round-up will be March 23rd.

Lastly, the book signing with Bob Boyle will be on March 24th. If you bought a book pre-sale, that will be the date for him to autograph it!

Thank you for all you support of our PTA events.  
Heidi Voll  
PTA President

## From the CUSD Transportation Dept.

Applications for the **2011-2012** school-year will be available by Friday, May 14, 2011. Applications will be accepted beginning Monday, May 16, 2011. The Bus Pass Application, payment schedule, a copy of the Bus Rules and Regulations and the Emergency Card form are available on the CUSD website ([www.castaic.k12.ca.us](http://www.castaic.k12.ca.us)). There are also applications at the schools. We will begin accepting applications May 16, 2011 and will process the applications on arrival until the routes are full or until the deadline July 1st, 2011, which ever is first. Your **prompt and immediate** completion of these four forms is greatly appreciated to ensure we have a reliable list of students that will be riding the bus. With the reductions in service and anticipated limited capacities, we will be processing the applications as they arrive at the District Office. (If all buses become full, a waiting list will be created). Applications received after July 1st will be processed if there is room or put on a waiting list for future availability.

You must send the four completed forms with your payment/documentation to the District Office, 28131 Livingston Ave, Valencia, CA 91355 as soon as possible. It will be not be processed after July 1, 2010 unless there is availability on the bus route.

The walking distance (as measured if a person walked from the school to the home address) is now two miles from the elementary schools and from the middle school 3.25 miles. This means that **if you live within** the walking distances, you are no longer eligible for transportation services. A map of the excluded areas for each school is posted on the CUSD website ([www.castaic.k12.ca.us](http://www.castaic.k12.ca.us)).
